

NOVEMBER 2020 – WHAT LOSING MEANS

What the Dems Will Do:

1. Give illegals the right to vote. 20M new Dem voters overnight.
2. Eliminate the filibuster. No way to stop them.
3. Statehood for DC and Puerto Rico. 4 new Democrat Senators.
4. Pack the Supreme Court. 15 justices, 11 of them radical leftists.
5. Eliminate the Electoral College.

The Democrats, by enacting the above, will virtually guarantee themselves One Party Rule (THEM!) for the remainder of our lifetimes, and likely our children's and grandchildren's too.

What WE Can Do:

1. Actively support ALL republican candidates - President Trump AND Lindsey Graham especially!
2. Join your local Republican Party and ask, "How can we help?" No time to reinvent the wheel.
3. Share this information with our friends, family, and neighbors.

Use the power of 10/10/10

- 10 posts a week on social media.
- 10 phone calls a month to friends and family.
- 10 people to the polls on Nov. 3.
